PROGRAMME UPDATE

We're thrilled to bring you the latest updates from our One Southwark programme. We have been hard at work refining our initiatives to better serve our cohort members. Here are some highlights from the programme:

- *We hosted our first ever Week of Purpose with various community partners. Our week of purpose aimed to offer opportunities for self-development and future planning*
- *We have had two work experiences take place, one of our very own cohort members Zoe has taken up temporary role on the Community Investment team at United Saint Saviours and Solomon had a 3 day work experience with Brightsmith*
- *Victoria was rewarded a grant from The Social Innovation Project (TSIP) for her community project 'Nurtured' which seeks to prevent disease through health promotion.*

YOUTH VOICE

At One Southwark, we're dedicated to amplifying the voices of our youth. In July, our learning partner IVAR hosted the One Southwark cohort members and our coalition for their annual learning workshop to explore the emerging findings over the past year of the programme, these insights will be available publicly soon. Their insights during the workshop have provided us with valuable perspectives for shaping our next cohort that we will be recruiting for in January 2024. We believe in the power of our youth to drive positive change, and we're excited to continue collaborating with them. With collaboration and amplifying our youths voices in mind, we have the first ever One Southwark Podcast episode coming soon! Follow our social media for this amazing and inciteful episode from two of our very own cohort members Iftikhar and Ethan, joined by Advent Capital's Alastair Smith.

SOUTHWARK STARS

We want to celebrate the commitment of those who make a significant impact in our community. Our "Southwark Stars" spotlight for August are Montagu Private Equity LLP, The Nest Southwark, Appleby Blue and Mercato Metropolitano. We're inspired by their commitment to creating more access to experiences and opportunities and for all of their support during our Week Of Purpose.
